Dear <<FirstName>>,

Thank you for submitting your application to the University of Minnesota, one of the nation's premier public research universities. The University has educated local, regional, national, and international leaders since 1851 and we are proud to carry on this tradition of helping students achieve their dreams and reach their educational goals.

As a student who has expressed interest in the University of Minnesota, you are invited to participate in the U of M Share My App Program. Applicants to the Twin Cities campus can also apply for admission at one or more additional campuses of the University of Minnesota system with no additional application and no additional application fee.

University of Minnesota system campuses:

- University of Minnesota Crookston
- University of Minnesota Duluth
- University of Minnesota Morris
- University of Minnesota Rochester
- University of Minnesota Twin Cities

Please note that participation in this program does not impact your Twin Cities application in any way. The University is proud of the educational opportunities offered on all of our campuses. The Share My App Program simply makes it possible for applicants to easily apply to the University's other campuses: Crookston, Duluth, Morris, and Rochester.

To take advantage of the U of M Share My App Program, please visit the Share my App website at <http://z.umn.edu/sharemyapp>. At this website, you will be able to learn more about each campus and select the campuses with which you are interested in sharing your application. (You will need your seven-digit ID, <<EMPLID>>, to submit the form.) Each University of Minnesota campus to which you apply will provide you with an individual decision about admission. Application deadlines vary by campus, so we encourage you to act soon.

Thank you for your interest in the University of Minnesota!
